# Greenbank State School
Creating a World of Difference – The Greenbank Way

YEAR: Prep CURRICULUM OVERVIEW – TERM 4 2021

ENGLISH

Students will receive and respond to letters from *Toy Story* characters. They will retell stories and make personal connections to texts. Students will continue to read and view a range of texts and consolidate their understanding of simple sentences, full stops, capital letters and letter- sound relationships. They will also continue to develop the formation of upper- and lower-case letters.

MATHEMATICS

Students will make connections between collections up to 20 and beyond. They will use appropriate language to describe location. They will learn to connect days of the week to familiar events. Students will describe, compare and sort 2D shapes and 3D objects. They will ask simple questions to collect information and make inferences using graphs.

SCIENCE

Students will be learning about physical forces with a link to *Toy Story*. They will use their senses to observe and explore the properties and movement of objects. Students will engage in hands-on investigations and respond to questions about factors that influence movement. They will have a great deal of fun learning about forces through play.

TECHNOLOGY

Students will be exploring coding using Cubettos to develop algorithms (sequencing). This links to Mathematics using language to describe location.

HASS

Students will continue to investigate places that are special to them, with a particular focus on the classroom and school environments. They will give reasons and suggestions as to why we need to care for places.

HEALTH & PE

Students will continue to identify ways that keep them safe and healthy. Students will develop their spatial awareness, strength and flexibility during gymnastics.
